Dear Parent/Carer

Welcome to Year 10 – Working together to make a Difference!

I have the great pleasure in inviting you to a ***"Welcome to KS4 Evening"*** **on Thursday 21st September 2023** in the Main Hall at Abraham Moss Community School.

Key Stage 4 is an important time in the academic life of your child and increasingly the work completed in year 10 contributes significantly to the final GCSE grades that pupils will gain in the summer of 2025. The aim of the evening is to provide Year 10 parents/carers with the opportunity to understand the changes to the curriculum and the demands that your son/daughter will have to face over the next two years. It will be a chance to outline the key dates and the range of support strategies in place for students. We will also share some ideas on how you can best support your son/daughter during this important time. The session will begin at 5.00pm until 6.00pm and will consist of a presentation by Mrs Arnold (Head Teacher) Mrs Syrichas (Assistant Head Teacher) Mrs Dawson (Head of Year 10) and representatives from the English, Mathematics and Science departments will deliver key subject information to support students and parents. Members of staff will be available to discuss individual pupils in more detail and how they have settled in to Year 10. We will also be covering such issues as:

- Our Aims and Targets for this year
- Key information from English, Mathematics and Science
- Controlled Assignments: Deadlines and Standards
- Preparing for Academic Success
- Preparing for Life after Abraham Moss Community School

A parents' booklet will be given out containing useful information and provisional dates for the year.

I do hope that you will be able to attend the evening, so that the partnership between school and home may be further strengthened in this vital year of your child's education.

Please follow the link to confirm whether you will be attending the evening or not by Wednesday 20th September 2023. If you have any particular concerns, please let us know via the form so we can address these on the evening.

Y10 Welcome Evening (google.com)

Yours sincerely

Mrs E Syrichas

Assistant Headteacher
